2009 STUDENT INJURY INSURANCE

Yarrowarra Public School P&C has paid the premium for your child(ren's) Student Injury Insurance for 2009 Term 1 to Term 4.

The Federation of P&Cs' Associations of NSW says:

"Accidents can happen to your children whilst they are at school or outside the school on excursions and organised and supervised by the school. NSW Government Schools may only be liable to pay compensation where they have breached their duty of care to the child. An injury to your child could occur through no fault of the school itself. Even though you may have coverage through Medicare and private health insurance, this may not cover all the expenses that could flow from an accident."

For further information, including the product disclosure statement, please visit the Federation's website at www.pandc.org.au, or ask Helen Hall (Treasurer) – 9521 6221, for a copy of the literature available on the website. [Please note this is Student Accident Insurance only and does not replace Medicare, private health insurance or other insurance(s) your family may have in place.]

Please reimburse the P&C for your child(ren)'s portion of the Student Injury Insurance premium (\$4.85 per child). Payment is due by Fri 13 March 2009.
