Dear Parents/Caregivers

Textbooks and resources have been ordered for students for use this school year. These resources form a vital part of the curriculum. As mentioned in last week's newsletter, we have also purchased stationery items for your child to alleviate the hassle of finding required items.

The payments for paper/photocopying, art and craft resources are only for a small portion of the costs incurred by the school. All students use the resources throughout the year.

Please send the correct money in an envelope with your child, or drop it in at the office. Cheques are to be made payable to Yarrowarra Public School. A receipt will be issued for your payment. Unfortunately books cannot be issued until payment is received. Classes would like to commence working with the new textbooks from next week, so your prompt payment is appreciated. If this is not possible, please speak to Mr Ezzy.

This year we will continue the system where a number of whole-school activities are paid for at the beginning of the year. These include events such as carnivals, in-school performances and whole-school excursions. This will alleviate the necessity to collect small amounts of money regularly throughout the year. A break-down of what it included in this levy is on the back of this note. We have not included individual grade/stage excursions in this levy. Payment for these will be collected separately.

Class teachers will explain the various resources and texts for each grade at our information nights in the coming weeks.
