

Dear

You have indicated that your child has a health condition which may require support at school. While the main role of the school is to provide education, we want to work with you to keep your child healthy and safe at school.

Please complete the attached form *Request for support at school of a student's health condition*, on the basis of information provided by your medical practitioner and return it to me. (You may wish to discuss the information required with the medical practitioner.) The form includes sections where you can request the administration of prescribed medication and/or other assistance.

When I receive your request for support I will need to discuss it with relevant staff and I will then contact you again.

Please advise me at any time if there are changes in the information about your child's health care needs or if I can assist you.

Yours sincerely

Mr J Ezzy
